

Programme for the AMICE site visit (WP2: Water board Brabantse Delta)

Programme 30 September 2011:

10.00	Arrival at the town hall of Steenberg, with coffee and sausage roll and short word of welcome by Lead Partner: Ms. M. Fournier.
10.30	Departure by bus to the site (parking place near the Vliet bridge). Explanation of the project by Ron Lambregts and Eric Leurmans about the PIO's.
10.45 – 12.00	Walk (1,5 km) from the parking place along the Vliet over the site to the pumping station in the middle of the project site.
12.00 – 12.30	Simple lunch in open air at the pumping station. Take your AMICE umbrella with you.
12.30 – 15.00	Cycle tour (5km) along the PIO's (Points Of Interest) along the Steenbergse Vliet made for both the project and tourists.
15.00 - 15.30	Departure by bus at the sluice of Benedensas to the city hall of Steenberg
15.30	End of site visit, back home.

Rubber boots are needed anyhow! Please take wind block (or rain-)coats too as wind can be very fierce at the coast.

The organising committee:

Ms. M. Lejeune (telephone +3211225446) AMICE

Mr. R. Lambregts (telephone +31 76 56 41476) Water board Brabantse Delta.
